Nothing in the Agreement shall convey any title or proprietary right in Nitro IP to Customer or any third party other than as explicitly granted in Sections 3.1, 3.2 and 3.9(a). The Customer shall not in any way acquire any title, rights of ownership, Intellectual Property Rights or other proprietary rights of whatever nature in the Nitro IP. Customer recognizes that the Nitro IP are protected by copyright, trademark and other laws.

4.2. Feedback. If Customer or any User provides feedback or suggestions about any aspect(s) of the Nitro IP or any other Nitro goods or services, by mail, email, telephone, or otherwise, including without limitation, suggesting new features or functionality relating thereto, or any comments, questions, suggestions, or the like ("**Feedback**") then Customer hereby grants Nitro a non-exclusive, royalty-free, transferable, sub-licensable, irrevocable and perpetual worldwide license to use, profit from, disclose, publish, keep secret and/or otherwise exploit such Feedback in any medium without further obligation or compensation to Customer or any User. Feedback will not constitute Customer's Confidential Information.

4.3. Usage Data. Customer acknowledges and agrees that Nitro generates, compiles, stores and uses aggregated data and system usage, analytics and diagnostic information ("**Aggregated Statistics**") to monitor and improve the Services, assist in the delivery of Support, and for the creation of new products and services. As between Nitro and Customer, all right, title and interest in the Aggregated Statistics and all Intellectual Property Rights therein, belong to and are retained solely by Nitro. Customer acknowledges that Nitro will be compiling Aggregated Statistics based on Customer's and other users' use of the Services and Customer agrees that Nitro may: (a) make such Aggregated Statistics publicly available; (b) use such information to the extent and in the manner required by applicable law or regulation and for purposes of data gathering, analysis, service enhancement and marketing, provided that such data and information does not identify Customer or its Confidential Information; and, (c) use such information for industry benchmarking, to understand usage, improve the Services and Support, develop new products and services, and for any other business purpose. The Aggregated Statistics are not considered Customer Data.

5. CUSTOMER DATA

5.1. Nitro acknowledges that, as between Nitro and Customer, Customer owns all right, title, and interest, including all Intellectual Property Rights, in and to the Customer Data. The Customer hereby grants to Nitro a non-exclusive, royalty-free, worldwide license, license to copy, reproduce, store, distribute, publish, export, adapt, edit and translate the Customer Data and otherwise use and display the Customer Data and perform all acts with respect to the Customer Data to the extent reasonably required to provide the Services and Support to Customer and for the performance of Nitro's obligations and the exercise of Nitro's rights under the Agreement. Customer also grants to Nitro the right to sub-license these rights to its subcontractors (such as for example hosting, connectivity and telecommunications service providers) to the extent reasonably required for the performance of Nitro's obligations and the exercise of Nitro's rights under this Agreement.

5.2. Customer acknowledges and agrees that for the performance of the Agreement and in order to use the functionalities of the Services, specific Customer Data may be disclosed to recipients and third parties (e.g., for processing PDF documents, for the creation and signing of documents or for the identification of Users). Notwithstanding Section 11 (Confidential Information), such disclosure shall explicitly not constitute a breach of confidentiality and is permitted.

5.3. Customer warrants to Nitro that Customer Data when used by Nitro in accordance with the Agreement will not infringe the Intellectual Property Rights or any other legal rights of any person or third party and will not breach the provisions of any applicable law, statute or regulation, in any applicable jurisdiction.

6. DATA PROTECTION

6.1. Data Protection and Data Processing. Nitro will process personal data on behalf of Customer in order to provide the Services, to offer Support and in general to fulfill its rights and obligations under the Agreement. If the Customer is a business signing up with its legal entity, the relevant Data Processing Addendum applies to such processing of personal data and is considered part of the Agreement. If the Customer is a natural person signing up in its personal name, Nitro's privacy policy as published online (<https://www.gonitro.com/legal/privacy-policy>) applies and Customer acknowledges to have received it.

7. USAGE VERIFICATION

7.1. Customer acknowledges and agrees the Services may include real-time built-in volume counters and other reporting tools which are necessary for Nitro to monitor the exact (volume) usage of the Services by Customer, its Beneficiaries and Users. Such usage controls/tools enable Nitro to invoice the relevant Subscription Fees and additional fees (if applicable).

7.2. If remote usage monitoring is impossible (for example related to Downloadable Software), Nitro has the right to inspect the usage of the Customer, its Beneficiaries and Users by: (a) requesting Customer's records for the purposes of verifying Customer's compliance with this Agreement; and/or (b) by conducting an on-site audit at Customer's relevant places of business upon seven (7) Business Days' notice, unless fraud is expected in which case Nitro has the right to conduct the audit without prior written notice. Any such audit will happen during Customer's regular business hours and will not unreasonably interfere with Customer's business activities. Customer shall cooperate fully with Nitro

with respect to Nitro's request for records and/or Nitro conducting an on-site audit and Customer shall provide reasonable assistance in each circumstance.

7.3. If such usage control or audit shows that Customer, its Beneficiaries or Users are using the Services beyond the quantity or scope that was legitimately licensed under the Agreement and therefore Customer has underpaid the amount of fees due to Nitro, without prejudice to any other rights and remedies available to Nitro, Customer shall promptly pay the amount of such underpayment to Nitro, together with interest in accordance with Section 8.4. If such underpayment exceeds five percent (5%) of that which is payable under the Agreement, Customer shall pay Nitro's reasonable costs of conducting the verification and audit, in addition to paying the additional fees due. This Section 7.3 does not apply in the event of an Over-Deployment subject to Section 8.8.

8. FEES AND PAYMENT TERMS

8.1. Fees. Customer shall pay Nitro all amounts owing in the currency set out in the Order Form. For specific services (including Implementation and Activation Services), additional fees may apply if set forth in the Order Form.

8.2. Invoices, No Refunds. All undisputed amounts in Nitro's invoices are due within thirty (30) days of issuance. Invoices are to be disputed within ten (10) days as from the date of invoice in writing or by email sent to Nitro's via email to ar@gonitro.com specifying in reasonable detail the nature of the dispute, together with any appropriate information supporting Customer's position ("Invoice Dispute Period"). Beyond this Invoice Dispute Period, invoices shall be deemed accepted. Unless prohibited by applicable law or if explicitly mentioned in the Order Form, all payments of invoices issued by Nitro to Customer shall be final and non-refundable. In the event Customer is declared to be in a state of bankruptcy, applies for a suspension of payments, is subjected to a general seizure of assets, goes into liquidation or is dissolved, the full amounts payable under the Agreement will become due immediately.

8.3. Electronic Invoicing. Customer explicitly accepts electronic invoicing which will be sent in PDF-format to the Customer's invoicing email address, as specified in the Order Form. The Customer may request Nitro to send a hard copy of the invoices to its physical address.

8.4. Late Payment. If Nitro does not receive payment by the applicable due date, Customer shall pay interest charges from the time the payment was due at the rate that is the lower of one percent (1%) per month/twelve percent (12%) per annum or the highest rate permissible under applicable law. In addition, Customer shall pay all reasonable costs incurred by Nitro as a result of the enforcement of Customer's payment obligations. If Customer fails to pay any undisputed outstanding amounts within ten (10) days from receipt of a written default notice, Nitro shall be entitled to suspend its obligations (e.g., by suspending access to the Services) and Customer's rights hereunder without further notice to Customer or liability to Nitro until receipt of payment of such outstanding amounts. In the event of such suspension, as a condition of reinstating Customer's access to the Services, Nitro may require Customer to pay in advance for the remainder of then-current Initial Term or Renewal Term (as applicable).

8.5. No Setoff; Taxes. Amounts due under the Agreement are payable to Nitro without set off or counterclaim and without deduction, and are net of any tax, tariff, duty, or assessment imposed by any government authority (national, state, provincial, or local), including without limitation any sales, use, excise, ad valorem, property, withholding, or value-added tax, whether or not withheld at the source

(collectively, "**Sales Tax**"). Except as forbidden by applicable law, Nitro may require that Customer submits applicable Sales Taxes to Nitro. However, the preceding sentence does not apply to the extent that Customer is tax exempt, provided it gives Nitro a valid tax exemption certificate within thirty (30) days of the Effective Date. Nitro's failure to include any applicable tax in an invoice will not waive or dismiss the Parties' rights or obligations pursuant to this Section 8.5. If applicable law requires withholding or deduction of Sales Taxes or any other tax or duty, Customer shall separately pay Nitro the withheld or deducted amount, over and above fees due. For the avoidance of doubt, this Section 8.5 does not govern taxes based on Nitro's net income.

8.6. Price increase. Notwithstanding anything to the contrary in the Agreement, Nitro may during the Term and as from the first anniversary date of the Effective Date automatically increase all Subscription Fees (even if they are expressly itemized in the Order Form for a particular year or period), by five percent (5%) per year unless Parties have agreed upon different Subscription Fees in an Order Form upon renewal. Price increases shall be calculated based upon the official list prices and any discounts or pricing incentives granted earlier shall not be taken into account.

8.7. Module Extensions and Upgrade Subscription Plan. Customer may upgrade its subscription plan by ordering Module Extension(s) which might result in additional Subscription Fees being due. Such Module Extensions can be ordered by signing a new Order Form or addendum or via an online ordering procedure made available within the Customer's admin account (if applicable) or via the Authorized Reseller (if applicable). Module Extensions apply by default for the remaining part of the Term, but will only be activated upon Customer's explicit request.

8.8. True Up. If a true up is explicitly accepted by Nitro (or its Authorized Reseller) in the Order Form, Customer may during the Term of the Agreement, increase the number of Users beyond the initial count specified in the Order Form (an "**Over-Deployment**"). Over-Deployment shall be calculated by Nitro based on the metric 'Total Users' as shown by Nitro Analytics for the period 'last 12 weeks', considering the initial count specified in the Order Form. If Nitro Analytics is unavailable for such purpose, Nitro may request a report from the Customer detailing, at a minimum, an accurate accounting of the total number of additional User licenses that make up the Over-Deployment in a particular period or quarter. Customer will provide such report within fifteen (15) days as from Nitro's request. In case the Services Customer is using are set up to invoice Over-Deployment automatically, the Over-Deployment will automatically be invoiced by Nitro on the moment of Over-Deployment and the metric 'last 12 weeks' will not be used. Customer shall be responsible for the payment of any fees (including retroactive fees) for such Over-Deployment until the end of the Term as invoiced by Nitro (or its Authorized Reseller). Over-Deployment fees shall be calculated based upon the prices in the Order Form and any discounts or pricing incentives thereto will not be taken into account.

9. TERM AND TERMINATION

9.1. Term. The initial term of this Agreement begins on the Effective Date and, unless terminated earlier pursuant to this Agreement's express provisions, will continue in effect for the period set out in the Order Form (the "**Initial Term**"). Upon expiration of the Initial Term or any subsequent Renewal Term (as defined below), this Agreement will automatically and tacitly renew for additional successive one (1) year terms (each a "**Renewal Term**" and together with the Initial Term, the "**Term**") unless earlier terminated pursuant to this Agreement's express provisions or either Party gives the other Party written notice of non-renewal at least three (3) months prior to the expiration of the then-current Term.

9.2. Termination for Cause. Either Party may without prejudice to its rights to damages and any other rights, remedies and/or claims to which it may be entitled by law, terminate the Agreement effective on written notice to the other Party, if the other Party materially breaches this Agreement, and such breach: (a) is incapable of cure; or (b) being capable of cure, remains uncured thirty (30) days after the non-breaching Party provides the breaching Party with written notice of such material breach. The Customer acknowledges and agrees that following circumstances shall be considered a material breach by Customer: (i) any use of the Services outside the scope of the right of use or license granted to Customer as set out in the Agreement, any applicable Terms of Use, and the applicable Order Form; (ii) any breach by Customer of applicable data protection legislation; (iii) any breach by Customer of Section 11 (Confidentiality); and, (iv) any violation or misappropriation by Customer of Nitro IP. The foregoing (i) through (iv) shall apply also to Customer's Beneficiaries and Users' acts or omissions which cause the material breach to occur.

9.3. Termination in case of Bankruptcy. Subject to applicable bankruptcy law, either Party may terminate immediately the whole or any portion of the Agreement without any judicial intervention, without being liable for compensation and without prejudice to its rights to damages and any other rights, remedies and/or claims to which it may be entitled by law, upon providing the other Party with written notice of termination if the other Party becomes insolvent, is subject to voluntary or involuntary bankruptcy, insolvency or similar proceeding or otherwise liquidates or ceases to do business.

9.4. Termination for online Customers. Notwithstanding anything to the contrary in these Terms of Service, a Customer signed up via Nitro's online self-service portal and having access to an admin portal is able to turn off the auto-renewal of the Agreement within the admin portal provided that turning off such auto-renewal should be done before the start of the Renewal Term.

9.5. Suspension or Termination of Access. Without limiting Nitro's other rights and remedies, and notwithstanding anything to the contrary in this Agreement, Nitro may suspend or terminate a Customer's or other User's access to any portion or all of the Services at any time if: (i) Nitro reasonably determines that: (a) there is a threat or attack on any of the Nitro IP; (b) Customer's or any User's use of the Nitro IP disrupts or poses a security risk to the Nitro IP or to any other customer or vendor of Nitro; (c) Customer, or any User, is using the Nitro IP for fraudulent or illegal activities; (d) subject to applicable law, Customer has ceased to continue its business in the ordinary course, made an assignment for the benefit of creditors or similar disposition of its assets, or become the subject of any bankruptcy, reorganization, liquidation, dissolution, or similar proceeding; or, (e) Nitro's provision of the Services to Customer or any User is prohibited by applicable law; (ii) any vendor of Nitro has suspended or terminated Nitro's access to or use of any third-party services or products required to enable Customer to access the Services; (iii) Customer fails to pay to Nitro any undisputed amount due hereunder and Customer fails to cure such failure to pay within ten (10) days from the date of a written notice of default from Nitro to Customer; or, (iv) Nitro ceases to be able to own/operate the Services for any legal or regulatory reason(s) (collectively, a "**Service Suspension**"). Nitro will have no liability for any damage, liabilities, losses (including any loss of data or profits), or any other consequences that Customer or any User may incur as a result of a Service Suspension. In the event Nitro is entitled to terminate the Agreement for cause as per Section 9.2, Nitro may alternatively, at Nitro's option, suspend the right of use and licenses granted hereunder instead of immediately terminating the Agreement, without any formalities or indemnities being required and without prejudice to any other right or remedy available to Nitro pursuant to the Agreement or under applicable law.

9.6. Effects of Termination. Upon termination of the Agreement for whatever reason:

- a) Customer's rights to the Services will automatically cease and all rights and licenses granted to Customer pursuant to these Terms of Service shall automatically terminate;
- b) Customer, its Beneficiaries and Users shall immediately cease all use of the Services and delete, destroy, or return all copies of the Downloadable Software and the Documentation in its possession or control;
- c) Nitro will delete (or return upon explicit written request of Customer received within thirty (30) days of the effective date of termination) all Customer Data stored in the Services and will decommission Customer's active environment and/or accounts where the Services are operated. Customer however acknowledges the Services may include functionalities to download such Customer Data directly from the Services (e.g., download functionalities or API calls) which Customer shall in the first instance use to obtain the Customer Data;
- d) Subject to Section 9.6(c), each Party shall return or destroy all copies of the other Party's Confidential Information (except as required to comply with any applicable law provided the confidentiality obligations herein shall apply until for the duration set out in Section 11.4) and upon written request from the Disclosing Party certify, in writing, the destruction thereof;
- e) Customer shall promptly pay Nitro all fees and other amounts earned by or due to Nitro up to and including the effective date of termination, including (but not limited to) the full Subscription Fee, and any additional fees (as applicable) which shall become automatically payable in full by Customer (except in case of termination for cause by Customer triggered by a material breach proven attributable to Nitro).

10. CUSTOMER'S RESPONSIBILITIES AND RESTRICTIONS

10.1. Acceptable Use. Unless otherwise agreed in a particular Order Form, Customer shall not: (a) use the Services for service bureau or time-sharing or purposes or in any other way allow third parties to exploit or use the Services; (b) share passwords or other log-in credentials to any third party or person; (c) share non-public features of the Services with any third party; (d) access or use the Services in order to build a competitive product or service, to build a product or service using similar ideas, features, functions or graphics of the Services, or to copy any ideas, features, functions or graphics of the Services.

These Terms of Service do not require that Nitro takes any action against Customer or any User or other third party for violating this Section 10.1, or these Terms of Service, but Nitro is free to take any such action in its sole discretion.

10.2. Unauthorized Access. Customer shall prevent unauthorized access to the Service, including without limitation by protecting its passwords and other log-in information. Customer shall notify Nitro immediately of any known or suspected unauthorized use of the Services or breach of its security and shall use best efforts to stop said breach.

10.4. Customer's Users. Customer shall use reasonable efforts to make all Users aware of this Agreement's provisions as applicable to such User's use of the Nitro IP and shall cause Users to comply with such provisions. Customer is responsible and liable for: (a) all Users and Beneficiaries using the Service, including without limitation unauthorized User conduct and any User conduct that would violate the requirements of the Agreement applicable to Customer; and, (b) any use of the Services through Customer's account, whether authorized or unauthorized. Any act or omission by a Beneficiary or by a User that would constitute a breach of this Agreement if taken by Customer will be deemed a breach of this Agreement by Customer.

Each Receiving Party shall treat all Confidential Information received from Disclosing Party as confidential, keep secret and protect such Confidential Information with not less than a reasonable degree of care and shall not disclose it to any third party other than its Affiliates, agents, employees, advisors or consultants (or with respect to Nitro its suppliers and licensors and, where applicable, the Authorized Reseller working with Customer), and only where: (a) such disclosure is necessary for the performance of Services or with respect to the Agreement; and, (b) such Affiliates, agents, employees, advisors or consultants (or with respect to Nitro its suppliers and licensors and, where applicable, the Authorized Reseller working with Customer) are bound by a confidentiality obligation at least as strict as included in this Section 11. The obligations in this Section 11 shall replace any prior non-disclosure agreement signed between the Parties (if applicable) and shall survive during the Term and for five (5) years after the termination or expiration of the Agreement; provided however, with respect to any Confidential Information that constitutes a trade secret (as determined under applicable law), such obligations of non-disclosure will survive the termination or expiration of this Agreement for as long as such Confidential Information remains subject to trade secret protection under applicable law.

12. REPRESENTATIONS AND WARRANTIES; DISCLAIMER

15.6. No Waiver. The Agreement may be modified or amended only by written agreement executed by a duly authorized representative of both Parties hereto. Any term or condition of the Agreement may be waived only by a written document signed by the Party entitled to the benefits of such term or condition. Each such waiver or consent shall be effective only in the specific instance and for the purpose for which it was given, and shall not constitute a continuing waiver or consent. No waiver of a breach of this Agreement will constitute a waiver of any other breach of this Agreement.

15.7. Governing Law and Jurisdiction. The Agreement shall be governed by and construed in accordance with the laws of California and any applicable federal laws of the United States and the Parties hereto submit to the exclusive jurisdiction of the courts of San Francisco, California. Customer acknowledges and agrees that the Services shall not be used, and none of the underlying information, software, or technology may be transferred or otherwise exported or re-exported to countries as to which the United States or the European Union maintains an embargo (collectively, “**Embargoed Countries**”), or to or by a national or resident thereof, or any person or entity on the U.S. Department of Treasury’s List of Specially Designated Nationals or the U.S. Department of Commerce’s Table of Denial Orders (collectively, “**Designated Nationals**”). The lists of Embargoed Countries and Designated Nationals are subject to change without notice. By using the Services, Customer represents and warrants that it is not located in, under the control of, or a national or resident of an Embargoed Country or Designated National. The Services may use encryption technology that is subject to licensing requirements under the U.S. Export Administration Regulations, 15 C.F.R. Parts 730-774 and Council Regulation (EC) No. 1334/2000. Customer agrees to comply strictly with all applicable US and other foreign export laws and assume sole responsibility for obtaining licenses to export or re-export as may be required.

15.13. Entire Agreement. This Agreement constitutes the entire agreement between the Parties with respect to the subject matter hereof and supersedes all prior oral or written agreements, representations or understandings between the Parties relating to the subject matter hereof. No statement, representation, warranty, covenant or agreement of any kind not expressly set forth in this Agreement shall affect, or be used to interpret, change or restrict, the express clauses of the Agreement.

This Agreement may be executed in one or more counterparts and may be signed by means of an electronic signature or accepted by Customer via a click-through acceptance procedure. Each counterpart will be an original, but all such counterparts will constitute a single instrument.

15.15. Language. The Agreement is in the English language only which language shall be controlling in all respects. Furthermore, all communications and notices made or given pursuant to the Agreement shall be in the English.

15.16. Survival. Expiration, termination or cancellation of the Agreement shall be without prejudice to the rights and liabilities of each Party which have accrued prior to the date of termination, and shall not affect the continuance in force of the provisions of the Agreement which are expressly or by implication intended to continue in force, including, without limitation, any Sections relating to Customer payment obligations, Section 4 (Intellectual Property Rights), Section 8 (Fees and Payment Terms), Section 11 (Confidential Information), Section 12.1(b) Nitro’s disclaimer and Section 14 (Limitation of Liability).

15.17. Amendment. This Agreement may not be amended except through a written agreement by authorized representatives of each Party. Notwithstanding the foregoing provisions of this Section 15.17, Customer acknowledges and agrees that for Customers onboarded via Nitro’s online subscription portal Nitro has the right, in Nitro’s sole discretion, to modify the Agreement from time to time, and that modified terms become effective upon notification of the changes (by email or other appropriate communication) to Customer. Customer is responsible for reviewing and becoming familiar with any such modifications and Customer’s continued use of the Services after the effective date of the modifications will be deemed acceptance of the modified terms, unless (a) Customer has

a right under applicable law to terminate the Agreement due to such changes; or (b) Customer terminates the Agreement upon providing Nitro with written notice of termination within a time period of thirty (30) days as from Nitro's notification related to the modification of the Agreement's terms.

15.18. Time for Claims. Where permitted by applicable law, Customer hereby agrees that any claim by Customer in connection to the Services or this Agreement must be brought within six (6) months of the act giving rise to the claim.

15.19. Relationship to Authorized Resellers. Notwithstanding anything to the contrary in these Terms of Service, the below shall apply if Customer purchased a right to use the Services from an Authorized Reseller:

(a) in addition to the Authorized Reseller Agreement (in which case the Authorized Reseller, and not Nitro shall be liable to Customer for any such terms and conditions contained therein), the terms and conditions of these Terms of Service govern as between Customer and Nitro, Customer's, its Beneficiaries and Users use and Nitro's provision of the Services. Customer expressly acknowledges and agrees that Nitro, Authorized Resellers, suppliers, licensors, and/or each of the forgoing's respective agents and contractors may transfer Customer Data amongst themselves as necessary for the purpose of the provision and management of the Services;

(b) an Authorized Reseller may charge, bill, and collect fees from Customer in the amounts stated in and in accordance with the Authorized Reseller Agreement and, if Customer is billed by an Authorized Reseller for some or all of the fees associated with the Service or Implementation and Activation Services or other services Customer shall pay the Authorized Reseller in accordance with the Authorized Reseller Agreement. For the avoidance of doubt, in such cases where an Authorized Reseller is charging, billing (and collecting fees directly from) Customer, Sections 8.2 to 8.5 of these Terms of Service shall not apply and the relevant payment terms in the Authorized Reseller Agreement should govern;

(c) if Nitro receives notice from such Authorized Reseller that it has terminated or suspended its relationship with Customer, Nitro may suspend and/or terminate Customer's right to access and use the Services, the Implementation and Activation Services, any other services provided by Nitro and/or these Terms of Service without notice and without any liability to Customer. In addition, Nitro may suspend and/or terminate the Services, the Implementation and Activation Services, any other services provided by Nitro and/or this Agreement without notice and without liability upon receipt of notice from Authorized Reseller that Customer has failed to pay amounts due, or is otherwise in default to the Authorized Reseller and/or Nitro with respect to any manner pertaining to the Services, the Implementation and Activation Services, any other services provided by Nitro, or this Agreement or the terms and conditions of the Authorized Reseller Agreement.

15.20. Equitable Relief. Customer agrees that: (a) no adequate remedy exists at law if it breaches any of its obligations in Section 11 or for Customer's violation or misappropriation of Nitro IP; (b) it would be difficult to determine the damages resulting from its breach of 11 or for Customer's violation or misappropriation of Nitro IP, and such breach would cause irreparable harm to Nitro; and, therefore, (c) Nitro will be entitled, in addition to any other available remedies, to seek immediate injunctive and other equitable relief, without any requirement that Nitro prove actual monetary damage post a bond or other security. This Section 15.20 does not limit either Party's right to injunctive relief for breaches

not listed.

15.21. Prohibited Information.

(a) Customer represents, warrants and covenants that it will not (and it will cause its Users to not) provide, disclose to Nitro, or allow Nitro to collect or access, any protected health information (“PHI”) as defined by applicable law (e.g., including to the extent applicable law, the Health Insurance Portability and Accountability Act of 1996 (“HIPAA”) and its implementing regulations), unless Nitro has expressly agreed to receive such information in writing beforehand and the Parties have entered into a written agreement where required by applicable law (e.g., a business associate agreement under HIPAA). Customer represents, warrants and covenants that it is not ‘covered entity’ or a ‘business associate’ and acknowledges Nitro will not act as a ‘business associate’ under HIPAA and that Nitro does not have any obligations or liabilities with respect to the protection, use, or disclosure of PHI with respect to Customer; and,
