Customer acknowledges that, as between Customer and Nitro, Nitro (and where applicable its licensor(s)) is and remains the sole and exclusive proprietary owner of all Nitro IP. Nothing in the Agreement shall convey any title or proprietary right in Nitro IP to Customer or any third party other than as explicitly granted in Sections 3.1 and 3.8(a). The Aggregated Statistics are not considered Customer Data.

5. Customer data

- 5.1.** Nitro acknowledges Nitro acknowledges that, as between Nitro and Customer, Customer owns all right, title, and interest, including all Intellectual Property Rights, in and to the Customer Data. The Customer hereby grants to Nitro a non-exclusive, royalty-free, worldwide license, license to copy, reproduce, store, distribute, publish, export, adapt, edit and translate the Customer Data and otherwise use and display the Customer Data and perform all acts with respect to the Customer Data to the extent reasonably required to provide the Services and Support to Customer and for the performance of Nitro's obligations and the exercise of Nitro's rights under the Agreement. Customer also grants to Nitro the right to sub-license these rights to its subcontractors (such as for example hosting, connectivity and telecommunications service providers) to the extent reasonably required for the performance of Nitro's obligations and the exercise of Nitro's rights under this Agreement.
- 5.2.** Customer acknowledges and agrees that for the performance of the Agreement and in order to use the functionalities of the Services, specific Customer Data may be disclosed to recipients and third parties (e.g., for processing documents to be signed, for the creation and signing of documents or for the identification of Users). Notwithstanding Section 11 (Confidential Information), such disclosure shall explicitly not constitute a breach of confidentiality and is permitted.
- 5.3.** Customer warrants to Nitro that the Customer Data when used by Nitro in accordance with the Agreement will not infringe the Intellectual Property Rights or any other legal rights of any person

or third party and will not breach the provisions of any applicable law, statute or regulation, in any applicable jurisdiction.

6. Data protection

- 6.1. Data Protection and Data Processing.** Nitro will process personal data on behalf of Customer in order to provide the Services, to offer Support and in general to fulfill its rights and obligations under the Agreement. The relevant Data Processing Addendum applies to such processing of personal data and is considered part of the Agreement.

7. Usage verification

- 7.1.** Customer acknowledges and agrees the Services may include real-time built-in volume counters and other reporting tools which are necessary for Nitro to monitor the exact (volume) usage of the Services by Customer, its Beneficiaries and Users. Such usage controls/tools enable Nitro to invoice the relevant Subscription Fees and Additional Fees and Overconsumption Fees (as applicable).
- 7.2.** If such usage control or audit shows that Customer, its Beneficiaries or Users are using the Services beyond the quantity or scope that was legitimately licensed under the Agreement and therefore Customer has underpaid the amount of fees due to Nitro, without prejudice to any other rights and remedies available to Nitro, Customer shall promptly pay the amount of such underpayment to Nitro, together with interest in accordance with Section 8.6.

8. Fees and payments terms

- 8.1. Fees.** Customer shall pay Nitro all amounts owing in the currency set out in the Order Form. The Subscription Fees set out in the Order Form constitutes a minimal financial commitment taken by the Customer, notwithstanding if Customer has not entirely consumed the included Subscription Volume.
- 8.2. Additional Fees.** Depending on the Services, functionalities made available and Implementation and Activation Services requested by Customer, Additional Fees might be due (e.g., SMS-OTP signing, activation and usage of signing methods offered via third party providers etc.). Such Additional Fees will be invoiced on a monthly basis, unless otherwise indicated in the Order Form. These Additional Fees only apply if explicitly set out in the Order Form.
- 8.3. Overconsumption Fees.** Overconsumption Fees are due in case the usage exceeds the Subscription Volume as included in the default Subscription Fee. Such Overconsumption Fees will be invoiced on a monthly basis, unless otherwise indicated in the Order Form. These Overconsumption Fees only apply if explicitly set out in the Order Form.
- 8.4. Invoices, No Refunds.** All undisputed amounts in Nitro's invoices are due within thirty (30) days of issuance. Invoices are to be disputed within ten (10) days as from the date of invoice in writing

or by email sent to Nitro's via email to ar.eu@gonitro.com specifying in reasonable detail the nature of the dispute, together with any appropriate information supporting Customer's position ("**Invoice Dispute Period**"). Beyond this Invoice Dispute Period, invoices shall be deemed accepted. Unless prohibited by applicable law or if explicitly mentioned in the Order Form, all payments of invoices issued by Nitro to Customer shall be final and non-refundable. In the event Customer is declared to be in a state of bankruptcy, applies for a suspension of payments, is subjected to a general seizure of assets, goes into liquidation or is dissolved, the full amounts payable under the Agreement will become due immediately.

- 8.5. Electronic Invoicing.** Customer explicitly accepts electronic invoicing which will be sent in PDF-format to the Customer's invoicing email address, as specified in the Order Form. The Customer may request Nitro to send a hard copy of the invoices to its physical address.
- 8.6. Late Payment.** If Nitro does not receive payment by the applicable due date, Customer shall pay interest charges from the time the payment was due at the rate that is the lower of one percent (1%) per month/twelve percent (12%) per annum or the highest rate permissible under applicable law. In addition, Customer shall pay all reasonable costs incurred by Nitro as a result of the enforcement of Customer's payment obligations. If Customer fails to pay any undisputed outstanding amounts within ten (10) days from receipt of a written default notice, Nitro shall be entitled to suspend its obligations (e.g., by suspending access to the Services) and Customer's rights hereunder without further notice to Customer or liability to Nitro until receipt of payment of such outstanding amounts. In the event of such suspension, as a condition of reinstating Customer's access to the Services, Nitro may require Customer to pay in advance for the remainder of then-current Initial Term or Renewal Term (as applicable).
- 8.7. No Setoff; Taxes.** Amounts due under the Agreement are payable to Nitro without set off or counterclaim and without deduction, and are net of any tax, tariff, duty, or assessment imposed by any government authority (national, state, provincial, or local), including without limitation any sales, use, excise, ad valorem, property, withholding, or value-added tax, whether or not withheld at the source (collectively, "**Sales Tax**"). Except as forbidden by applicable law, Nitro may require that Customer submits applicable Sales Taxes to Nitro. However, the preceding sentence does not apply to the extent that Customer is tax exempt, provided it gives Nitro a valid tax exemption certificate within thirty (30) days of the Effective Date. Nitro's failure to include any applicable tax in an invoice will not waive or dismiss the Parties' rights or obligations pursuant to this Section 8.7. If applicable law requires withholding or deduction of Sales Taxes or any other tax or duty, Customer shall separately pay Nitro the withheld or deducted amount, over and above fees due. For the avoidance of doubt, this Section 8.7 does not govern taxes based on Nitro's net income.
- 8.8. Price increase.** Unless the Order Form explicitly sets out that fees will not be subject to a price increase during the Initial Term, all applicable Subscription Fees, Additional Fees, Overconsumption Fees and any other fees included in the Order Form will automatically increase

by five percent (5%) each year on the anniversary of the Effective Date, unless Parties have agreed upon different applicable fees in writing upon renewal.

- 8.9. Module Extensions and Upgrade Subscription Plan.** Customer may upgrade its subscription plan by ordering Module Extension(s) which might result in additional Subscription Fees, Additional Fees and/or Overconsumption Fees being due. Such Module Extensions can be ordered by signing a new Order Form or addendum or via the Authorized Reseller (if applicable). Module Extensions apply by default for the remaining part of the Term, but will only be activated upon Customer's explicit request.

9. Term and termination

- 9.1. Term.** The initial term of this Agreement begins on the Effective Date and, unless terminated earlier pursuant to this Agreement's express provisions, will continue in effect for the period set out in the Order Form (the "**Initial Term**"). Upon expiration of the Initial Term or any subsequent Renewal Term (as defined below), this Agreement will automatically and tacitly renew for additional successive one (1) year terms (each a "**Renewal Term**" and together with the Initial Term, the "**Term**") unless earlier terminated pursuant to this Agreement's express provisions or either Party gives the other Party written notice of non-renewal at least six (6) months prior to the expiration of the then-current Term.
- 9.2. Termination for Cause.** Either Party may without prejudice to its rights to damages and any other rights, remedies and/or claims to which it may be entitled by law, terminate the Agreement effective on written notice to the other Party, if the other Party materially breaches this Agreement, and such breach: (a) is incapable of cure; or (b) being capable of cure, remains uncured thirty (30) days after the non-breaching Party provides the breaching Party with written notice of such material breach. The Customer acknowledges and agrees that following circumstances shall be considered a material breach by Customer: (i) any use of the Services outside the scope of the right of use or license granted to Customer as set out in the Agreement, any applicable Terms of Use, and the applicable Order Form; (ii) any breach by Customer of applicable data protection legislation; (iii) any breach by Customer of Section 11 (Confidentiality); and, (iv) any violation or misappropriation by Customer of Nitro IP. The foregoing (i) through (iv) shall apply also to Customer's Beneficiaries and Users' acts or omissions which cause the material breach to occur.
- 9.3. Termination in case of Bankruptcy.** Subject to applicable bankruptcy law, either Party may terminate immediately the whole or any portion of the Agreement without any judicial intervention, without being liable for compensation and without prejudice to its rights to damages and any other rights, remedies and/or claims to which it may be entitled by law, upon providing the other Party with written notice of termination if the other Party becomes insolvent, is subject to voluntary or involuntary bankruptcy, insolvency or similar proceeding or otherwise liquidates or ceases to do business.

9.4. Suspension or Termination of Access. Without limiting Nitro’s other rights and remedies, and notwithstanding anything to the contrary in this Agreement, Nitro may suspend or terminate a Customer’s or other User’s access to any portion or all of the Services at any time if: (i) Nitro reasonably determines that: (a) there is a threat or attack on any of the Nitro IP; (b) Customer's or any User's use of the Nitro IP disrupts or poses a security risk to the Nitro IP or to any other customer or vendor of Nitro; (c) Customer, or any User, is using the Nitro IP for fraudulent or illegal activities; (d) subject to applicable law, Customer has ceased to continue its business in the ordinary course, made an assignment for the benefit of creditors or similar disposition of its assets, or become the subject of any bankruptcy, reorganization, liquidation, dissolution, or similar proceeding; or, (e) Nitro's provision of the Services to Customer or any User is prohibited by applicable law; (ii) any vendor of Nitro has suspended or terminated Nitro's access to or use of any third-party services or products required to enable Customer to access the Services; (iii) Customer fails to pay to Nitro any undisputed amount due hereunder and Customer fails to cure such failure to pay within ten (10) days from the date of a written notice of default from Nitro to Customer; or, (iv) Nitro ceases to be able to own/operate the Services for any legal or regulatory reason(s) (collectively, a “**Service Suspension**”). Nitro will have no liability for any damage, liabilities, losses (including any loss of data or profits), or any other consequences that Customer or any User may incur as a result of a Service Suspension. In the event Nitro is entitled to terminate the Agreement for cause as per Section 9.2, Nitro may alternatively, at Nitro’s option, suspend the right of use and licenses granted hereunder instead of immediately terminating the Agreement, without any formalities or indemnities being required and without prejudice to any other right or remedy available to Nitro pursuant to the Agreement or under applicable law.

9.5. Effects of Termination. Upon termination of the Agreement for whatever reason:

- a. Customer’s rights to the Services will automatically cease and all rights and licenses granted to Customer pursuant to these Terms of Service shall automatically terminate;
- b. Customer, its Beneficiaries and Users shall immediately cease all use of the Services and delete, destroy, or return all copies of the Documentation in its possession or control;
- c. - d. Subject to Section 9.5(c), each Party shall return or destroy all copies of the other Party’s Confidential Information (except as required to comply with any applicable law provided the confidentiality obligations herein shall apply until for the duration set out in Section 11.4) and upon written request from the Disclosing Party certify, in writing, the destruction thereof;

- e. Customer shall promptly pay Nitro all fees and other amounts earned by or due to Nitro, up to and including the effective date of termination, including (but not limited to) the full Subscription Fee, any Additional Fees and Overconsumption Fees (as applicable) which shall become automatically payable in full by Customer (except in case of termination for cause by Customer triggered by a material breach proven attributable to Nitro).

Customers and their Users may only use the Services in a manner that constitutes Reasonable Use of the Services. While Nitro does not impose any hard limits on Reasonable Use factors, Nitro reserves the right (but shall have no obligation to), monitor Customer's, its Beneficiaries' and User's usage on an ongoing basis to identify any deviation from Reasonable Use.

If Nitro suspects any breach of the requirements of this Section 10.1, including without limitation by Users, Nitro may suspend Customer's access to the Services without advance notice, in addition to such other remedies Nitro may have. These Terms of Service do not require that Nitro takes any action against Customer or any User or other third party for violating this Section 10.1, or these Terms of Service, but Nitro is free to take any such action in its sole discretion. If Nitro decides, at its sole discretion, that Reasonable Use of the Services by a Customer, its Beneficiaries' and/or its Users has been exceeded, Nitro will have the right to throttle or suspend such User's use of Services. In extreme circumstances, as determined by Nitro in its sole discretion, Nitro will have the right to terminate the Agreement provided that Nitro will make reasonable efforts to provide Customer in advance with a description of the excessive or abnormal usage and an explanation of why it violates Reasonable Use.

Customer is responsible and liable for: (a) all Users and Beneficiaries using the Service, including without limitation unauthorized User conduct and any User conduct that would violate the requirements of the Agreement applicable to Customer; and, (b) any use of the Services through Customer's account, whether authorized or unauthorized. Any act or omission by a Beneficiary or by a User that would constitute a breach of this Agreement if taken by Customer will be deemed a breach of this Agreement by Customer.

11. Confidential information

11.1. Confidentiality. From time to time during the Term, either Party may disclose or make available to the other Party Confidential Information. Each Receiving Party shall treat all Confidential Information received from Disclosing Party as confidential, keep secret and protect such Confidential Information with not less than a reasonable degree of care and shall not disclose it to any third party other than its Affiliates, agents, employees, advisors or consultants (or with respect to Nitro its suppliers and licensors), and only where: (a) such disclosure is necessary for the performance of Services or with respect to the Agreement; and, (b) such Affiliates, agents, employees, advisors or consultants (or with respect to Nitro its suppliers and licensors) are bound by a confidentiality obligation at least as strict as included in this Section 11. - a. gives the Disclosing Party reasonable notice prior to such disclosure to allow it a reasonable opportunity to seek a protective order or equivalent, unless the Receiving Party is legally prohibited from doing so;
- b. reasonably cooperates with the Disclosing Party in its reasonable efforts to obtain a protective order or other appropriate remedy;
- c. discloses only that portion of the Confidential Information that is legally required to disclose, and,
- d. uses reasonable efforts to obtain reliable written assurance from the applicable judicial or governmental entity that it will afford the Confidential Information the highest level of protection available under applicable law or regulation.

11.4. Duration. The obligations in this Section 11 shall replace any prior non-disclosure agreement signed between the Parties (if applicable) and shall survive during the Term and for five (5) years after the termination or expiration of the Agreement; provided however, with respect to any Confidential Information that constitutes a trade secret (as determined under applicable law), such obligations of non-disclosure will survive the termination or expiration of this Agreement for as long as such Confidential Information remains subject to trade secret protection under applicable law.

12. Representations and warranties; disclaimer

12.1. Mutual Representations and Warranties.

- a. Each Party represents, warrants and covenants that: (i) it has the full power and authority to enter into this Agreement and to perform its obligations hereunder; and, (ii) its acceptance of and performance under this Agreement shall not breach any oral or written agreement with any third party or any obligation owed by it to any third party to keep any information or materials in confidence or in trust.
- b. EXCEPT FOR THE LIMITED WARRANTIES SET FORTH IN SECTION 12.1(a), THE SERVICES, THE NITRO IP AND ANY IMPLEMENTATION AND ACTIVATION SERVICES ARE PROVIDED "AS IS" AND "AS AVAILABLE". 12.2. Customer's Warranties.

Customer represents, warrants and covenants that:

Nitro shall indemnify, defend, and hold harmless Customer from and against any and all Losses incurred by Customer resulting from any Third-Party Claim that the Services, or any use of the Services in accordance with this Agreement, infringes or misappropriates such third party's patents, copyrights, or trade secrets, provided that Customer promptly notifies Nitro in writing of the claim, cooperates with Nitro, and allows Nitro sole authority to control the defense and settlement of such claim.

- b. If a Third-Party Claim is made, or in Nitro's determination is likely to be made, Customer agrees that Nitro may, at Nitro's sole discretion: (i) modify or replace the Services, or component or part thereof, to make it non-infringing; or (ii) obtain the right for Customer to continue to use the Services. If Nitro determines that neither alternative is reasonably available, Nitro may terminate this Agreement, in its entirety or with respect to the affected component or part, effective immediately on written notice to Customer and Nitro will provide Customer with a pro-rata refund of any Subscription Fees pre-paid by Customer that are related to that specific infringing part of the Services for the period during which Customer was not able to use the Services due to such termination by Nitro.
- c. This Section 13.1 will not apply to the extent that the alleged infringement arises from: (i) use of the Services in combination with data, software, hardware, equipment, or technology not provided by Nitro or authorized by Nitro in writing; (ii) misuse of the Services by Customer, Beneficiaries or Users; (iii) modifications to the Services not made by Nitro; or (iv) arises from Customer's, its Beneficiaries' or Users' failure to use the latest New Version; or, (v) any breach of this Agreement by Customer.

13.2. Sole Remedy

SECTION 13.1 AND 13.2 SETS FORTH CUSTOMER'S SOLE REMEDIES AND NITRO'S SOLE LIABILITY AND OBLIGATION FOR ANY ACTUAL, THREATENED, OR ALLEGED CLAIMS THAT THE NITRO IP INFRINGES, MISAPPROPRIATES, OR OTHERWISE VIOLATES ANY INTELLECTUAL PROPERTY RIGHTS OF ANY THIRD PARTY. THE EXCLUSIONS AND LIMITATIONS AS SET OUT IN SECTION 14 (LIMITATION OF LIABILITY) APPLY TO NITRO'S LIABILITY FOR ITS INDEMNIFICATION OBLIGATIONS UNDER SECTION 13.1.

13.3. Customer Indemnification

Customer shall indemnify, hold harmless, and, at Nitro's option, defend Nitro, its Affiliates and each of their respective directors, officers, employees and consultants from and against any Losses resulting from any Third-Party Claim that the Customer Data, or any use of the Customer Data in accordance with this Agreement, infringes or misappropriates such third party's Intellectual Property Rights or other rights and any Third-Party Claims based on Customer's or any User's: (i) negligence or willful misconduct; (ii) use of the Nitro IP in a manner not authorized by this Agreement; (iii) use of the Nitro IP in combination with data, software, hardware, equipment, or technology not provided by Nitro or authorized by Nitro in writing; or, (iv) modifications to the Nitro IP not made by Nitro; (v) Customer's material breach of this Agreement; (vi) Customer's failure to make required updates to the Services; or, (vii) Customer's, its Beneficiaries' or User's violation of any applicable laws, rules or regulations through or related to the use of the Services; provided that Customer may not settle any Third-Party Claim against Nitro unless Nitro consents to such settlement, and further provided that Nitro will have the

14. Limitation of liability

14.1. LIABILITY CAP. TO THE FULL EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL NITRO'S AGGREGATE LIABILITY (PER EVENT OR SERIES OF CONNECTED EVENTS) ARISING OUT OF OR RELATED TO THIS AGREEMENT UNDER ANY LEGAL OR EQUITABLE THEORY, INCLUDING BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, AND OTHERWISE EXCEED THE TOTAL AMOUNTS PAID TO NITRO UNDER THIS AGREEMENT IN THE SIX (6) MONTH PERIOD PRECEDING THE EVENT GIVING RISE TO THE CLAIM.

NOTHING IN THIS AGREEMENT SHALL EXCLUDE OR LIMIT EITHER PARTY'S LIABILITY FOR DEATH OR PERSONAL INJURY CAUSED BY ITS (OR ITS AGENT'S OR SUBCONTRACTOR'S) NEGLIGENCE, OR FOR THEFT OR MISAPPROPRIATION OF FUNDS OR FOR FRAUD OR FRAUDULENT MISREPRESENTATION.

14.2. EXCLUDED DAMAGES. TO THE FULL EXTENT PERMITTED BY APPLICABLE LAW, IN NO EVENT WILL NITRO BE LIABLE UNDER OR IN CONNECTION WITH THE SERVICES OR THIS AGREEMENT UNDER ANY LEGAL OR EQUITABLE THEORY, INCLUDING BREACH OF CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, AND OTHERWISE, FOR ANY INDIRECT, PUNITIVE, SPECIAL CONSEQUENTIAL OR SIMILAR DAMAGES, INCLUDING BUT WITHOUT LIMITATION DAMAGES FOR LOST PROFITS OR LOSS OF BUSINESS, LOST REVENUE, LOSS OR CORRUPTION OF DATA, LOSS OF CUSTOMERS AND CONTRACTS, LOSS OF GOODWILL, THE COSTS OF PROCURING REPLACEMENT GOODS OR SERVICES OR OTHERWISE HOWSOEVER, AND THIRD PARTIES' CLAIMS, IN EACH CASE ARISING OUT OF OR RELATED TO THE AGREEMENT, REGARDLESS OF WHETHER NITRO WAS ADVISED OF THE POSSIBILITY OF SUCH LOSSES OR DAMAGES OR SUCH LOSSES OR DAMAGES WERE OTHERWISE FORESEEABLE OR EVEN IF CUSTOMER'S REMEDIES FAIL OF THEIR ESSENTIAL PURPOSE. NITRO SHALL ALSO NOT BE LIABLE FOR DAMAGES CONNECTED TO OR AS A RESULT OF OUT OF SCOPE USE OF THE SERVICES BY THE CUSTOMER, ITS BENEFICIARIES AND/OR USERS.

14.3. APPLICATION. THE LIABILITIES LIMITED BY THIS SECTION 14 APPLY TO THE BENEFIT OF NITRO AND ITS AFFILIATES AND EACH OF THEIR RESPECTIVE LICENSORS, SUPPLIERS, ADVERTISERS, AGENTS, SPONSORS, DIRECTORS, OFFICERS, EMPLOYEES, CONSULTANTS, OTHER REPRESENTATIVES OFFICERS, AND THIRD PARTY CONTRACTORS.

14.4. LIABILITY ACKNOWLEDGEMENT. CUSTOMER ACKNOWLEDGES AND AGREES THAT NITRO HAS BASED ITS PRICING ON AND ENTERED INTO THE AGREEMENT IN RELIANCE UPON THE LIMITATIONS OF LIABILITY AND DISCLAIMERS OF WARRANTIES AND DAMAGES AS SET OUT IN THIS AGREEMENT AND THAT SUCH TERMS FORM AN ESSENTIAL BASIS OF THE BARGAIN

BETWEEN THE PARTIES. IF APPLICABLE LAW LIMITS THE APPLICATION OF THE PROVISIONS OF THIS SECTION 14, NITRO'S LIABILITY WILL BE LIMITED TO THE MAXIMUM EXTENT PERMISSIBLE.

15. Nitro Sign Premium Specific Terms

To the extent Customer elects in the Order Form to receive Services which include Nitro's 'Nitro Sign Premium' product then the following additional terms shall also apply:

15.1. Nitro Sign Premium.

Nitro Sign Premium enables Customer to sign documents electronically via an online web-portal and/or API integration. Depending on the functionalities chosen by Customer and subject to the timely payment of the relevant fees, Nitro Sign Premium supports different signing methods.

15.2. Signing Methods Offered By Third Parties.

- a. Nitro Sign Premium also integrates signing methods offered and/or facilitated by third party providers (e.g., itsme®, Swisscom Signing Service, France Connect, Nordic Identity Schemes, iDIN, OneID, etc.) ("**Third Party Signing Methods**") and to the extent the Services include such Third Party Signing Methods, Customer agrees to be bound by the relevant Product Specific Terms, where applicable. The Third Party Signing Methods activated for Customer are by default set out in the Order Form. The available Third Party Signing Methods may evolve over time as Nitro Sign Premium is offered as a Software-as-a-Service, however Third Party Signing Methods resulting in Additional Fees to be paid will only be activated upon Customer's specific instructions.
- b. Nitro reserves the right to modify the applicable Product Specific Terms at any moment in time by notifying Customer. Such modification might for example be required due to changes and/or updates pushed by the third party providers involved in the provisioning of the Third Party Signing Methods or due to regulatory changes. In the event Customer objects to the applicability of such new updated Product Specific Terms, Customer shall immediately cease the use of the particular Third Party Signing Method and will inform Nitro in writing within thirty (30) days after Nitro notified the Customer of the updated Product Specific Terms. Nitro shall in such case have the right to deactivate the relevant signing method without any liability for Nitro.
- c. As Nitro relies on third party providers for the provisioning of Third Party Signing Methods, Nitro reserves the right to deactivate these Third Party Signing Methods at any moment in time upon giving written notice to Customer if such deactivation is deemed necessary (for example in case the cooperation between Nitro and such third party provider is terminated or in case the third party provider ceases the offering of the service or the relevant Third Party Signing Method). Nitro shall not be liable for any damages in case of such

deactivation, but shall however (pro rata) refund to Customer any usage fees paid upfront (if applicable) for the relevant Third Party Signing Methods by Customer to Nitro related to the period after the effective date of deactivation for which Customer has paid for such Third Party Signing Method but during which it was no longer available due to such deactivation.

- d. All fees related to the Third Party Signing Methods can be adjusted throughout the Term if such price adjustment is based upon objective (external) purposes. Nitro shall in such case inform Customer upfront of any price adjustment which will apply to the fees Nitro is invoicing to Customer. In such case Customer shall have the right to deactivate the usage of the particular Third Party Signing Method by giving written notice to Nitro within a period of thirty (30) days after such notification of price adjustment was notified to Customer. Requesting such deactivation of the relevant Third Party Signing Method is considered the Customer's sole remedy. The deactivation will in no case affect the existence of the Agreement, which will remain in full force.
- e. In the event an Incident (as defined in Nitro's Service Level Agreement) occurs related to Third Party Signing Methods, Customer may contact Nitro's support desk following the procedure set out in Nitro's Service Level Agreement. As Nitro depends on the respective third party providers for supporting the Third Party Signing Methods, the service levels (and other warranties related to availability) included in the Agreement (including without limitation Nitro's Service Level Agreement) do not apply on any Third Party Signing Methods. Nitro shall act as Customer's single point of contact for supporting the Third Party Signing Methods available in Nitro Sign Premium. Customer will not contact the third party provider directly. Depending on the circumstances, a third party provider may however communicate directly with Customer.

15.3. Customer's Responsibilities with respect to Nitro Sign Premium.

- a. Customer is responsible to decide which Users are invited to use Nitro Sign Premium (e.g., for electronically signing documents or for initiating documents to be signed), however such use shall always be subject to the Agreement and the Terms of Use, if applicable. Customer warrants to have the necessary legal grounds, where required by applicable law, to send invitations (via Nitro Sign Premium) to such Users for using Nitro Sign Premium.
- b. It is Customer's sole responsibility to choose an adequate signing method (and/or identification method, if applicable) as made available within Nitro Sign Premium taking into account the purpose for which the electronic signature and the electronically signed document (or the electronic identification as the case may be) will be used. Customer acknowledges that specific types of agreements or documents may, under particular applicable legislation, not be executed by means of an electronic signature. Customer acknowledges and agrees Nitro solely provides a platform for signing documents

electronically (or identifying persons as the case may be) and that Customer remains fully responsible for the purpose for which Nitro Sign Premium is used, including the suitability of such use in accordance with the applicable laws and regulations. Nitro cannot be held responsible or be liable to determine whether any particular document or agreement is subject to an exception under applicable legislation and can therefore not be legally executed by means of an electronic signature

- c. Customer independently determines which documents are uploaded for signing and which messages are sent via Nitro Sign Premium, and Customer is fully responsible for the content of all documents uploaded and messages sent. Customer warrants the content will not be illegal or unlawful and does not breach any third party rights. Customer will fully indemnify Nitro and its Affiliates against any third party claims and all damages arising out of or related to the content of documents uploaded or messages sent by Customer (or its Users) within Nitro Sign Premium.
- d. Customer acknowledges and agrees Nitro Sign Premium is not a document management or data storage tool and that Customer is responsible to store and save (signed) documents elsewhere (for example within Customer's CRM or ERP software).
- e. Customer shall implement the API integration (if applicable) taking into account all rules and guidelines issued from time to time by Nitro via the Documentation. Nitro will inform Customer upfront in case such Documentation is being updated. Nitro cannot be held responsible in case Nitro Sign Premium is not functioning due to non-compliance by Customer with the applicable Documentation.
- f. Customer shall be transparent towards data subjects on how personal data is being processed when using Nitro Sign Premium.

15.4. Timestamping and Certification.

Customer acknowledges and agrees the Services may contain timestamping and certification functionalities (e.g., for identification or signing purposes). Timestamping and certification services are provided by Nitro's subcontractors. An overview of such subcontractors is accessible via our [Trust Center](#).

- 16.6. No Waiver.** The Agreement may be modified or amended only by written agreement executed by a duly authorized representative of both Parties hereto. Any term or condition of the Agreement may be waived only by a written document signed by the Party entitled to the benefits of such term or condition. Each such waiver or consent shall be effective only in the specific instance and for the purpose for which it was given, and shall not constitute a continuing waiver or consent. No waiver of a breach of this Agreement will constitute a waiver of any other breach of this Agreement.
- 16.7. Governing Law and Jurisdiction:** The Agreement shall be governed by and construed in accordance with the laws of Belgium and the Parties hereto submit to the exclusive jurisdiction of the courts of Antwerp, division Antwerp. The United Nations Convention for the International Sale of Goods shall not apply to the Agreement. The Parties agree that the terms of this Agreement result from negotiations between them. This Agreement will not be construed in favor of or against either Party by reason of authorship.
- 16.12. Technology Export.** The Services utilize software and technology that may be subject to export controls. Customer acknowledges and agrees that the Services shall not be used, and none of the underlying information, software, or technology may be transferred or otherwise exported or re-exported to countries as to which the United States or the European Union maintains an embargo (collectively, “**Embargoed Countries**”), or to or by a national or resident thereof, or any person or entity on the U.S. Department of Treasury’s List of Specially Designated Nationals or the U.S. Department of Commerce’s Table of Denial Orders (collectively, “**Designated Nationals**”). The lists of Embargoed Countries and Designated Nationals are subject to change without notice. By using the Services, Customer represents and warrants that it is not located in, under the control of, or a national or resident of an Embargoed Country or Designated National. Council Regulation (EC) No. 1334/2000. Customer agrees to comply strictly with all applicable US and other foreign export laws and assume sole responsibility for obtaining licenses to export or re-export as may be required.

- 16.13. Entire Agreement.** This Agreement constitutes the entire agreement between the Parties with respect to the subject matter hereof and supersedes all prior oral or written agreements, representations or understandings between the Parties relating to the subject matter hereof. No statement, representation, warranty, covenant or agreement of any kind not expressly set forth in this Agreement shall affect, or be used to interpret, change or restrict, the express clauses of the Agreement.
- 16.14. Execution in Counterparts.** This Agreement may be executed in one or more counterparts and may be signed by means of an electronic signature or accepted by Customer via a click-through acceptance procedure. - 16.17. Equitable Relief.** Customer agrees that: (a) no adequate remedy exists at law if it breaches any of its obligations in Section 11 or for Customer's violation or misappropriation of Nitro IP; (b) it would be difficult to determine the damages resulting from its breach of Section 11 for Customer's violation or misappropriation of Nitro IP, and such breach would cause irreparable harm to Nitro; and therefore: (c) Nitro will be entitled, in addition to any other available remedies, to seek immediate injunctive and other equitable relief, without any requirement that Nitro prove actual monetary damage post a bond or other security. This Section 16.16 does not limit either Party's right to injunctive relief for breaches not listed.
- 16.18. No Reliance on Future Functionality.** Customer acknowledges and agrees that, in entering into this Agreement, Customer is not relying on any future enhancements, updates, or additional functionalities related to the Nitro IP that may be provided by Nitro or any third-party licensor.
